SUMMARY

Passionate Frontend Developer with a knack for creating intuitive and high-performing web applications.As a proficient web developer, I bring a wealth of technical expertise to the table, complemented by a proven ability to lead teams with a dynamic and collaborative approach. My background in sales has honed my interpersonal skills, allowing me to foster strong team dynamics and drive results. As a disciplined and trained NCC cadet, I am well-versed in maintaining composure and clarity under pressure.

EXPERIENCE

Lead Developer
Blotic   📅 2019 - 2023   📍 Pune, India

Led the frontend development team
- My team has developed the college website as well as the college fest website with full stack web development. My role was to assist them with coding and designing mainly the front end.
- Was responsible for mentoring, day-to-day supervision of 3 front-end developers
- Collaborated with UX designers to implement user-friendly interfaces that improved user engagement & conversion rates.
